

## RAMP CAMP 2010

Dates reserved are:

July 11, sunday through to and including July 16, friday - leave windham sunday afternoon 2 pm, arrive home windham friday evening 8 pm ETA

August 8, sunday through to and including August 13, friday - same leave time/day, same home time/day

Preferred for first timers to go to July Camp -

We are limited to 25 athletes per camp, after all competitors are cared for/reserved for August camp, new comers will be considered for August camp if there is still room available.

At this particular time, athletes will be limited to 1 camp this season, therefore, if you arrange for July, you will not be able to go to August camp, vice versa - sorry - if there IS room to do so, we will consider the ability to go to both camps as in the past.

As of this writing, we definitely have lodging again at Lysek's, but pool time has not been reserved! That means there CAN BE A CHANGE IN WEEKS. It is out of our hands. Sorry. We have emailed proper individuals to please give us these weeks when they make up the pool schedule, but THERE IS NO GUARANTEE! As soon as we know, you will know.

Thanks all.
