## **PRESS RELEASE**

### **Skiing & Riding Santas for a Great Cause!**

**WINDHAM MOUNTAIN RESORT, N.Y. (December 18, 2016)**

Windham, NY (December 18, 2016) **\$5000 was raised for the Hope Restoration Food Pantry during the 7<sup>th</sup> annual Skiing & Riding Santa Sunday.** Windham Mountain Resort got into the holiday spirit with its 7<sup>th</sup> Annual Skiing & Riding Santa Day this morning. At 10am, 115 skiing and snowboarding Santas flew through the sky on a chairlift before gliding down White Way trail in a colorful downhill Santa Parade. Prior to the event, the participants planned their head-to-toe holiday apparel and pre-registered by making generous donations. Windham Mountain Resort invited the charitable Santas to ski for free all day and gave them an additional ticket for later in the season. It was a fun and festive day for all with great conditions on 26 trails and 1 terrain park.

A \$5,000 check was presented to a representative of The Hope Restoration Food Pantry by Chip Seamans, the GM and President of Windham Mountain Resort. He was pleased by the turnout and said, " We always enjoy this event as it brings out the holiday cheer, we are excited to see so many people take part in this charity event year after year. "

Windham Mountain Resort is a four season destination located in the northern Catskills. To learn more about the event and Windham Mountain Resort, visit [www.windhammountain.com](http://www.windhammountain.com)
