

## Pass Protection Policy 2021-2022

We understand that life is full of surprises and sometimes it's out of your hands. Windham Mountain Resort Pass Protection coverage offers credit or reimbursement for the pro-rated cost of the unused portion of your qualifying Windham Mountain Resort season pass. Windham Pass Protection is not transferable or refundable. If you do not accept Windham Mountain Resort Pass Protection, you will not be eligible for a refund or credit toward your next season pass purchase and understand that passes are not transferable. Windham Pass Protection is available for a small fixed cost at the time of pass purchase. **The program must be purchased in conjunction with your season pass in the same transaction.**

If you become medically unable to ski or ride, or if you are transferred out of the area (300 miles or more) due to employment, a credit toward your next season pass will be determined based on the following pro-rated schedule. Refunds will not be given unless you will be unable to ski or ride in the future. Only injured pass holder qualifies.
